# IMPORTANT HOTEL INFORMATION

We will be returning to the **Opal Key Resort** for 2022 (formerly the Westin & Margaritaville). This is the premier resort and the best location in all of Key West. A very short walk to all the activities on Duval Street. Watch the world famous sunsets from their pier. We have a limited number of rooms at a substantial discount and they will sell out quickly. **Don't wait, we run out of rooms every year!** As a prior student, you are being given an early opportunity to reserve a room. They always go fast! **If you are attending, please click on the link below and reserve your room immediately.** Our group rate is \$239 per night which INCLUDES the \$35 per night resort fee). The normal rates at the Opal Key Resort are \$700+ per night. So this is a huge savings. Our group rate is also valid three days before or after the seminar (for a very limited number of rooms) for anyone wishing to stay a few extra days (these go fast!). To reserve your room, please click on the reservation link below. This is easier than calling the hotel. Click on the link: [Sigma Training Services - 2022](#)

If you are having problems using the link, please call (866) 790-2197 and be sure to ask for the Sigma Group rate of \$239 per night. Our group rate code is: SCIT081222. Please try the link (above) first, it's much quicker than calling.

Note on room rates: We are getting a huge discount, so all our hotel rooms are “run of house” which means they are assigned on the day of arrival to our group. **If you specify a room location (such as waterfront), you will be charged the full daily rate.** So please verify your room rate is \$239 per night when reserving your room.

If for any reason when you call and the reservationist tells you the Sigma group rate is sold out or unavailable, please notify us immediately and our staff will have you added to our group rate.
